

**BETTER BUSES FOR  
STRATHCLYDE**

# WE DESERVE BETTER BUSES

**Bus services across Strathclyde are in crisis.**

Private bus companies receive millions in public subsidies every year, yet they continue to **cut our vital services and hike up fares.**

We've seen a **vicious circle of decline** ever since our buses were deregulated in 1986.

Now finally we have the chance to turn this around.

Strathclyde has a **once-in-a-generation opportunity** to take our buses back into public control.

We need our region's transport authority – **SPT** – to seize the new powers in the Transport Act 2019.

Then SPT can **plan bus routes** to serve our communities' needs and **connect seamlessly** with trains, ferries and Glasgow's Subway.

They can **cut fares** and deliver one simple, affordable ticket across all transport modes.
